~~I support the proposed Dominion Energy merger and urge the South Carolina
Public Service Commission to approve the merger. (Docket # 2017-370-E)~~

The merger would give residential electric customers a cash payment and bring rate stability and fairness to South Carolina's energy future.

Dear Commissioners,

South Carolina needs a way to move forward from the V.C. Summer challenge. I believe the way to do this is to support the merger between Dominion Energy and SCANA.

Dominion has a real plan to deal with the costs of the failed project. Their plan makes more sense to me as a customer than a temporary rate reduction forced onto SCANA. Dominion energy will absorb costs, return a percentage of the nuclear costs to customers, as well as guarantee a rate reduction.

I welcome the merger so that South Carolinian electric customers can move forward with a plan that will benefit us for a long time.

Sincerely,

Mary Brailey
